The Dunn County Housing Authority provides a Housing Choice Voucher Program (Section 8) to eligible households that would like to reside in the rural areas of Dunn County. We serve...

**ALL DUNN COUNTY AREAS/VILLAGES
EXCLUDING THE MENOMONIE CITY LIMITS.**

The rent voucher program is one way the Federal Government helps people with very low income, rent privately owned housing. Rent is based on 30% of an eligible household's adjusted gross income. All participants must locate housing that meets program payment standards on their own. Explanation of the process will be given to you during a meeting called a tenant briefing.

The current payment standards are listed by bedroom size below. A payment standard is NOT the amount of rent that will be approved by the program.

NOTE: Eligible bedroom size depends on household size and is determined by the housing authority.

NOTE: The limits listed below are what HUD defines as gross rent -or- rent **PLUS ALL UTILITIES**. (not the approved rent to be charged by a landlord)

*If you locate rental housing that does not include all utilities, **YOU MUST MINUS** ~ **\$150-\$350** from the amounts below (depends on bedroom size and type of heat).*

PAYMENT STANDARDS EFFECTIVE: APRIL 1, 2025 - NOT THE AMOUNT OF RENT
